

# Jackson Marching Ironmen

*Eyes With Pride 2023-2024*

## Student Form

The time has come to start thinking about next year! If all our current students in grades 8-11 continue on next year we will have over 200 in the band! We understand circumstances can change over the summer, but because of the nature of fitting/ordering uniform parts and scheduling, we need as solid of a commitment as possible. Keep in mind that the directors WANT you in the band next year. You all contribute to the big picture, and regardless of how many years you've been playing or have been in the band you are a critical piece to our success. The directors will continue to do everything we can to be flexible with athletic and fair conflicts during band camp and marching season. Please complete this form and return to a director by **April 21st, 2023**. Please take note that while the calendar dates are very similar to past years, some of the rehearsal times are different. Keep this for reference and planning summer vacations. Please do not hesitate to contact us with any questions! ***The JCS Band Boosters have also started a SCHOLARSHIP FOR ATHLETES in band, but you must be a 4-year member of the high school band to qualify. It is in 8th Grade students' best interest to at least give band a try freshman year so then can qualify for this new scholarship.***
